

CSA GIFT CARDS

Support our farm with your CSA purchase!

Highland Orchards West Chester offers a Community Supported Agriculture (CSA) Gift Card Program. Purchase a CSA gift card to support our farm when financial resources are limited.

Your gift card purchase (Dec-May) makes funds available for us to plan, prune, plant, and prepare for the busy growing season (May-Nov). Unlike traditional CSAs, you choose when, which kinds, and how much fruit and vegetables you want to take home. Your CSA card can be used on fresh, in-season produce, or any other great items offered in our Farm Market and Bakery. CSA cards can also be used for Highland Orchards events and Pick Your Own!

ORDER ONLINE FOR CSA CARDS IN \$25, \$100, OR \$250
